

Ajaykumar K

AI & ML Enthusiast

✉ ajaykumar348448@gmail.com | [in](#) linkedin | [github](#) | [portfolio](#) | 7904332133 | Tiruppur, Tamil Nadu 641666

OBJECTIVE

Dedicated and innovative student specializing in Artificial Intelligence & Machine Learning, aiming to apply technical expertise in AI, automation and robotics to drive impactful solutions in real-world environments.

EDUCATION

B.E. in Computer Science & Engineering (AI & ML)

K.S. Rangasamy College of Technology, Namakkal

2025 – 2029

CGPA: 8.69/10

SKILLS & INTERESTS

Programming	Python, C
AI/ML	TensorFlow, OpenCV, NLP
Web Development	HTML, CSS, JavaScript
Database	MySQL
Tools	Git, GitHub
Interests	Robotics, Web Development, Sustainable Farming, Chatbots

PROJECTS

Multi-Modal TB Detection — AI Medical Imaging System

Developed a multimodal deep learning system using TensorFlow and OpenCV to detect tuberculosis (TB) from chest X-ray images and clinical data. Implemented image preprocessing, feature extraction, and a classification pipeline to support early-stage TB diagnosis.

Veera — AI-Powered Real-Time Voice Assistant

Built **Veera**, an AI-powered voice assistant that understands user commands through natural voice interaction. Integrated NLP modules for intent recognition and context-aware responses, and deployed the application on mobile devices for real-time, low-latency performance.

Collabent — AI-Powered Collaboration Platform

Developed a full-stack collaboration platform using modern web technologies to connect users, form teams, and manage projects efficiently. Implemented project discovery, team management, real-time communication, user profiles, and intelligent collaboration features to help users find suitable teammates and build projects together.

ACTIVITIES

- Participated in a **Generative AI Workshop** conducted at **Kongu Engineering College**.
- Presented a research paper on **Smart Farming** at **Sri Eshwar College of Engineering**.
- Successfully completed a **30-day Hands-on Training Program in Artificial Intelligence** conducted by **NOVITECH**.

CERTIFICATIONS

- Python Essentials (**Cisco Networking Academy - NetAcad**)
- Artificial Intelligence Fundamentals (**IBM SkillsBuild**)
- C Programming (**Infosys Springboard**)
- Digital Edge (**NASSCOM**)
